

Gale Ranch Middle School

School Loop

Guidelines for Teachers

Assignments & Homework

- All assignments will be posted on School Loop and available daily.
- Students need to listen in class for instructions, notes, and changes to homework assignments.
- Unfinished class work should be finished at home as homework.
- Grading of cumulative assignments is addressed in syllabus and at Back to School Night.

Grades

- Regular assignments and tests can take up to a week for teachers to grade and publish on School Loop.
- Long term assignments, compositions, and projects can take up to several weeks to grade and publish on School Loop.
- Grades will be published by the 1st and 15th of each month. We recommend that parents and students check grades on these evenings.

Discussion Threads

- Teachers are able to monitor each thread that students post and will delete any students' postings that are not school related or are inappropriate.
